Support provided by JSPIN

🤝 Ways to Utilize JSPIN

JSPIN supports information sharing and networking with Japanese companies or organizations

Flow 01
Share your business information with JSPIN member companies or organizations

Flow 02
Take the opportunities to interact with Japanese companies or organizations through various conferences, online business meetings, and matching events

Flow 03
Take business matching opportunities with Japanese companies or organizations seeking collaboration

Flow 04
Utilize individual support as per the stage of business development
(e.g., introduction of advisors, support programs of other organizations such as JETRO and JICA)
